25X1

1. The production schedule for the Bierut truck factory at Lublin is 20,000 vehicles per year, most of which are for the army. Up to the present 1,000 vehicles have been produced. The development of production is being organized by more than 100 Soviet specialists.
2. There has been immense sabotage at Nowa Huta. The principal shop was demolished by plastic explosive. This event has been kept secret. It has resulted in hundreds of arrests of engineers, workers, and foreigners. In this connection, (fnu) Haraszyn<sup>1</sup> has been visited by Soviet leaders.
3. Compulsory sales of non-ferrous metals have been ordered (sic). For example, possession of more than two kilograms of aluminum is now forbidden.

25X1

1.   Comment: This is probably Juliusz Haraszyn, who in 1947 was a judge of the military court at Krakow. Any legal case touching on the security of the state comes within the jurisdiction of the military court.
